

A stylized illustration of a desert landscape. In the foreground, there are several green saguaro cacti of various sizes and shapes, some with arms. The ground is light tan with small dark spots representing rocks or pebbles. In the middle ground, there are reddish-brown hills and a large, jagged mountain range in the background. The sky is light blue with large, white, fluffy clouds. Two small black birds are flying in the sky. The overall style is flat and graphic.
